

Kelly Talent Learning Center

In addition to education and special needs-related content through Vector Solutions, all Kelly Education employees have access to free on-line professional development and training courses through our virtual university, the **Kelly Talent Learning Center (KTLC)**. This online training portal includes more than 6,000 self-paced or instructor-led career development courses as well as 55,000 ebooks and publications covering a range of topics such as communication skills, software skills, and project management, among others.

The KTLC supports talent who wish to improve their current business skills or learn new ones – even outside of education. Another resource for learning and career development brought to customers who want to support what's next in the world of work.

Courses: Business, desktop, IT, and more

Books 24x7: Current books and journals on business and technology

SkillBriefs: Downloadable job aids
