

Kelly is pleased to feature Vector Solutions *SafeSchools* as one of our Learning & Development partners. Together we offer more than 100 education specific training modules FREE to our valued talent.

## To Access SafeSchools:

1. Go to <http://kellyservices.safeschools.com>
2. Enter your phone number (as provided during the hiring process). There is no password required.

If you have been assigned any required training, it will appear on your dashboard. If no training has been assigned, there will be no outstanding training listed on your dashboard.

Click **View Library** to access any of the content that interests you. Use the search function to locate specific topics of interest or titles.
